Subject: Vernon L. Graves Revocable Trust: Dixon Road Site, Kokomo, Indiana

Maria,

Per my voice mail message, I was recently retained by Vernon L. Graves, Initial Trustee of the Vernon L. Graves Revocable Living Trust ("Graves") to respond to the attached EPA letter dated April 2, 2014 for the property at 1114 South Dixon Road, Kokomo, Howard County, Indiana ("Dixon Road Site"). The EPA's letter is also addressed to the City of Kokomo. I understand that Kokomo sent a letter or entered into a consent order agreeing to remediate both Kokomo's property and the Graves property. I am requesting a copy of all correspondence to and from Kokomo concerning the Graves' property, Kokomo's property, and the Dixon Road Site. If these documents are available on EPA's website (<https://www.epaossc.org/site/login.aspx>), please let me know and I will check the EPA website.

I understand that the EPA has commenced remedial activity on the adjacent Kokomo property but have not yet started work the Graves' property? Please let me know if this is correct? Also, please give me a call to discuss the EPA's planned remedial activities on the Kokomo and Graves properties.

Thanks.
